

El Patio Teatro

ENTRAÑAS

(INSIDES)

El Patio Teatro expose themselves to the interior of human body to try to explain through object theatre and narrative what it is that we have inside.

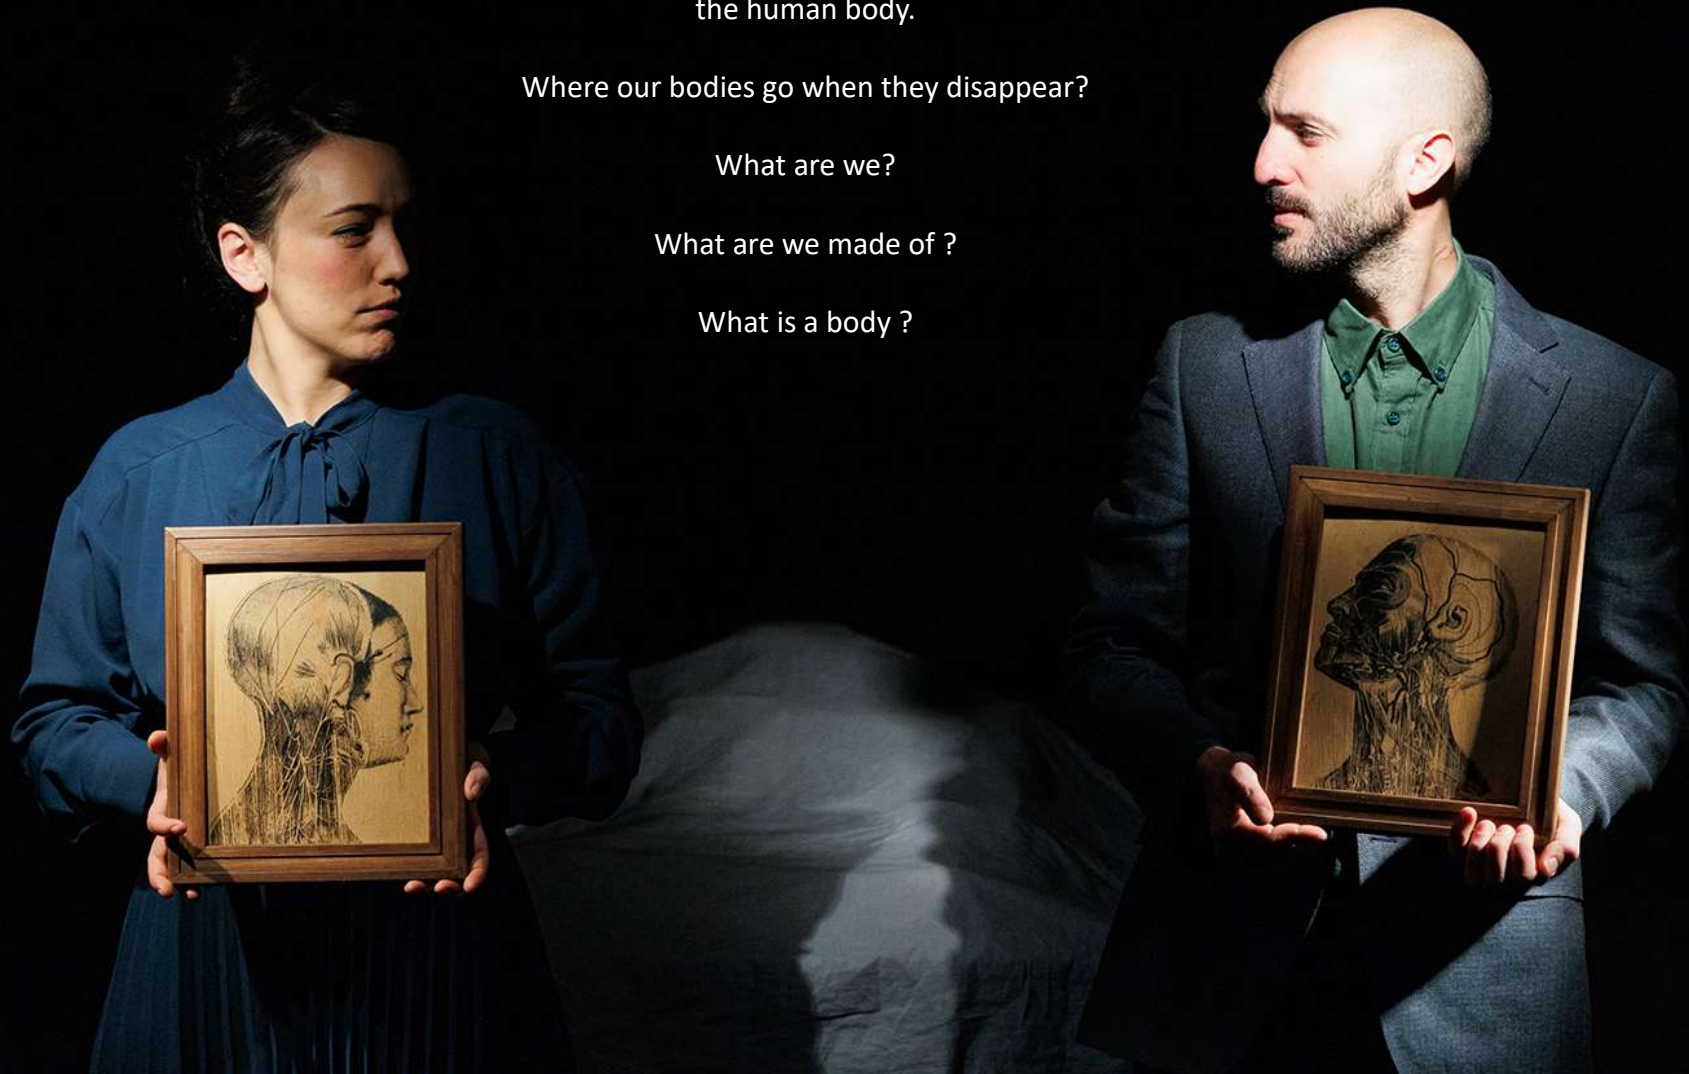

At an intimate anatomy class questions arise to unravel some of the mysteries of the human body.

Where our bodies go when they disappear?

What are we?

What are we made of ?

What is a body ?

El Patio Teatro was founded in Logroño (Spain) in 2010 by Izaskun Fernandez and Julian Sáenz-López.

The company was born from their need to share with audiences stories from everyday life that happen around them, and the aim to seek out their own language to tell them on stage.

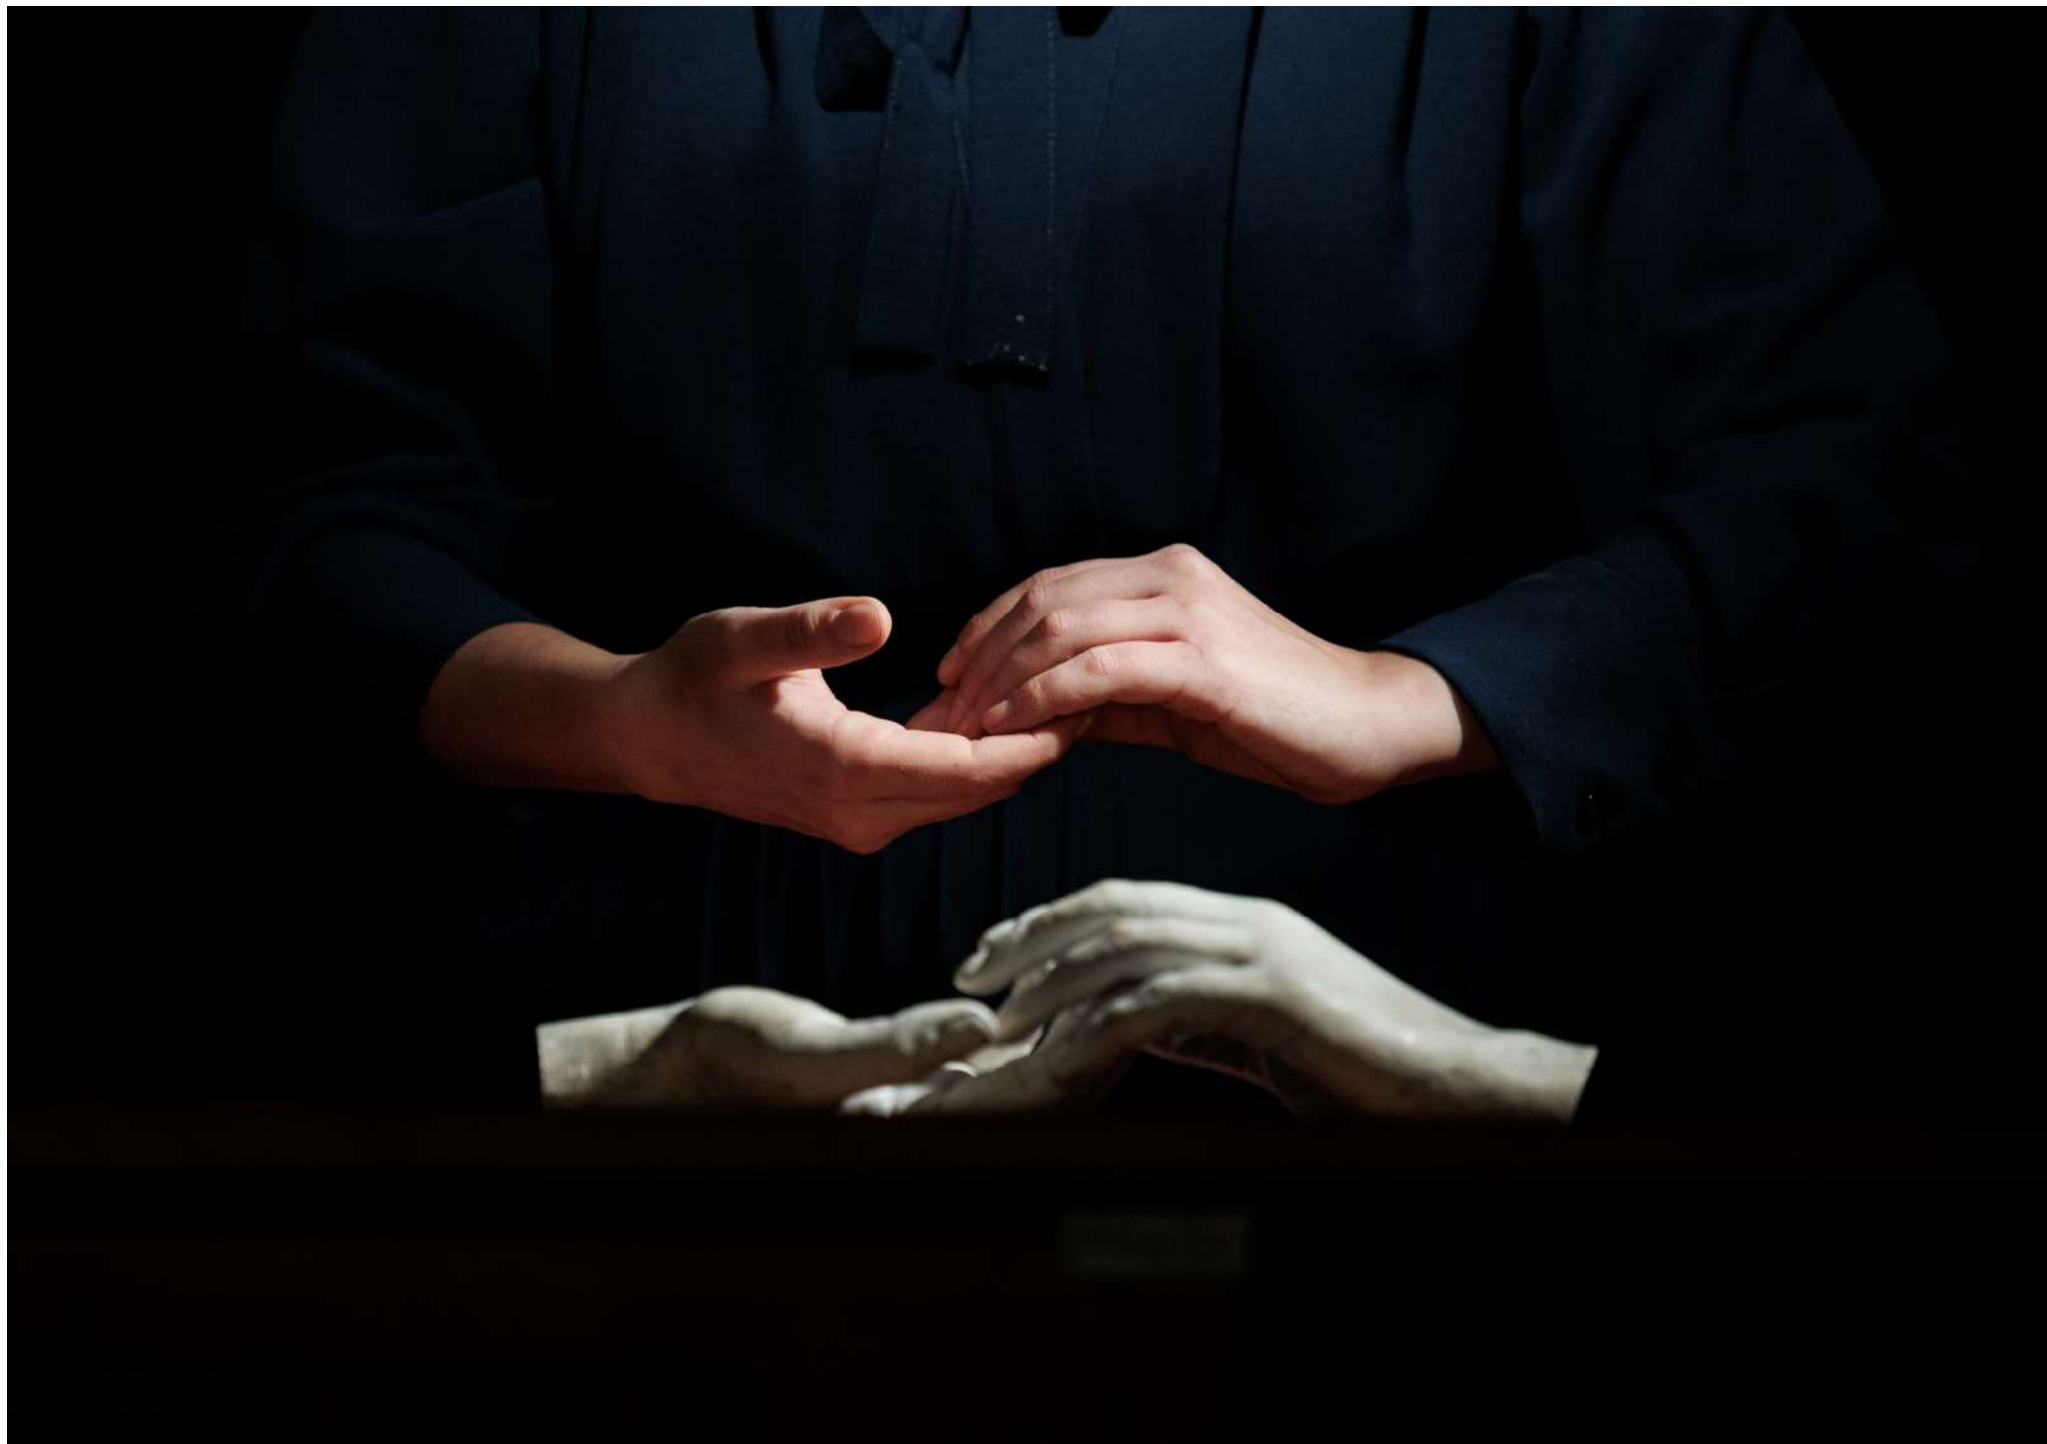

Since then, the company has created three productions: *A MANO* (By Hand), *HUBO* (Once), and *CONSERVANDO MEMORIA* (Preserving Memories) which they have been awarded nationally and internationally.

Since 2012 El Patio has performed at the most relevant festivals and Spanish theatres, and have toured across Europe, Asia, America, Australia and Africa.

Recently, they have been honoured with the **Critical Eye Theatre Award 2021 granted by RNE (Spanish National Radio)**.
