

## **ENTRAÑAS (Insides) by El Patio Teatro - TECHNICAL RIDER**

### **MEASUREMENTS AND GENERAL CONDITIONS**

Minimum stage size: 6m Width, 4m Depth, 3m Height

Full black box, including black backdrop and both sides and black floor.

Essential to have full blackout in the room.

### **TECHNICAL REQUIREMENTS / LIGHTING & SOUND**

The company will provide stage plans and other technical details upon request.

Given the nature of the performance, we recommend the audience to be seated as close as possible to the performance area. We suggest venues with raked seating.

To be provided by the venue/promoter:

- 3 Independent FOH profiles
- 1 Backlight PC
- Adjustable House lights
- Dimmers for lighting (11 channels of DIMMER on the stage floor)
- Lighting desk
- Sound mixer console, amplifier P.A. according to the venue.

The company will provide the rest of the lights included in the scenography as well as a laptop to launch playlists and their own microphone system.

### **CAPACITY**

100 people – in raked seating or venues with stalls seating with good sight lines and close to the stage.

60 people – in venues with no raked seating, audience can sit in benches, chairs, or cushions at the same level of the stage.

### **AGE RANGE**

+ 9 years old, but also available as adults only performances.

**TIMINGS: LOAD IN AND LOAD OUT**

Performance running time: 45min

Set up: 3.5hrs
