

COMPAÑÍA JAVIER ARANDA (Zaragoza, Spain)

<http://www.javieraranda.es/>

Title: **Vida** (Life)

Two hands and the universe of a sewing basket

Show without words, for an actor and objects

Technical needs

STAGE

- 4m.wide, 4m.deep, 3m.high (minimum)
- Black back curtain or dark backdrop

LIGHTING

Lights are incorporated in the set and provided by the Company although the actor might use some of the lights of the venue if it is convenient.

SOUND

Sound console is provided by the Company and is integrated as part of the set. The organiser must provide P.A. System (2 P.A. and 1 subwoofer if possible) according to the venue's dimensions.

BACKLINE

If the Company travels by airplane or train, the organiser must provide the following items:

- 1 table of approximately 1,20m long x 0,50m wide x 0,70m high)
- 1 chair (preferibly oldish or Antique)
- 2 micro stands to hang the company's lights

GET- IN / GET- OUT TIMES

Assembly time: 3 hours

Disassembly time: 1 hour

Time between performances: 1hour

Length of the show: 55 minutes

AUDIENCE TARGET AND CAPACITY

Suitable for all audiences from 8 years old above and recommended for only adults performances.

Ideal maximum capacity 170-200 seats.

Due to the nature of the show, we recommend proximity of the audience to the stage.
