

# UNIVERS

engrama  
teatre

A sensory experience  
for the early ages,  
full of visual poetry,  
live music and movement.

Individuals, bodies,  
objects disorganising, moving, finding  
and organizing themselves over and over  
again. Finding some balance and harmony  
in the immensity. Looking for a place to exist  
among the chaos, in a certain place and a certain  
time. Each inhabitant in this cosmos, each sound,  
each movement, is bound to a fragile  
relationship with all the rest.

UNIVERS is a sensory  
experience, based on visual poetry  
and live music. A place to explore how the  
tiniest and -apparently- meaningless  
thing can make it all change in the  
most unexpected way. A place to live  
along with our own vulnerability  
and our capacity of adapting to  
each new situation. A unique,  
evocative and immersive  
journey.
