

**COMPAÑÍA JAVIER ARANDA (Zaragoza, Spain)**

<http://www.javieraranda.es/>

Title: **Vida** (Life)

***Two hands and the universe of a sewing basket***

*Show without words, for an actor and objects*

#### **Technical needs**

##### **STAGE**

- 4m.wide, 4m.deep, 3m.high (minimum)
- Black back curtain or dark backdrop

##### **LIGHTING**

Lights are incorporated in the set and provided by the Company although the actor might use some of the lights of the venue if it is convenient.

##### **SOUND**

Sound console is provided by the Company and is integrated as part of the set.  
The organiser must provide P.A. System (2 P.A. and 1 subwoofer if possible) according to the venue's dimensions.

##### **BACKLINE**

If the Company travels by airplane or train, the organiser must provide the following items:

- 1 table of approximately 1,20m long x 0,50m wide x 0,70m high)
- 1 chair (preferibly oldish or Antique)
- 2 micro stands to hang the company's lights

##### **GET- IN / GET- OUT TIMES**

Assembly time: 3 hours

Disassembly time: 1 hour

Time between performances: 1hour

Length of the show: 55 minutes

##### **AUDIENCE TARGET AND CAPACITY**

Suitable for all audiences from 8 years old above and recommended for only adults performances.

Ideal maximum capacity 170-200 seats.

Due to the nature of the show, we recommend proximity of the audience to the stage.
